

121ST ANNUAL REPORT

Fiscal Year

July 1, 2012 – June 30, 2013

**CITY OF
Rutland, Vermont**

Mayor's Message

Christopher C. Louras, Mayor

To the Citizens of the City of Rutland:

During the 2012-2013 fiscal year, the City of Rutland both continued on a path of rebirth and transitioned through a change of culture across sectors of City governance.

The renaissance of our downtown and community has continued to reach new heights. Store front vacancies are at a six year low and those properties which are still currently vacant are targeted through our strategic vision for revitalization. We also continue to make the long-overdue investment in our streets, bridges, and water and sewer infrastructure which is a critical component of our long-term plan to be a community that is the envy of the State.

The City as well has made changes within the public safety structure to more effectively serve the taxpayers and residents of Rutland City. We will be working with non-traditional partners throughout the community to bring diverse resources to bear to address our quality of life related crimes and work toward changing the environment of our neighborhoods. These partnerships, spearheaded both by the Mayor's Office and Police Chief James Baker, are anticipated to have a dramatic impact on both our self-perception and how we are perceived by those around us, but more importantly create an environment that will encourage private investment and result in an even more vibrant and livable Rutland.

The City of Rutland thanks our citizens for your faith and confidence as we aggressively address our challenges and proudly build on our successes. Our collective future is extremely bright and the progress of these past several years will pale in comparison to the progress to come.

DEPARTMENT OF EDUCATION RUTLAND PUBLIC SCHOOLS

6 Church Street
Rutland, Vermont 05701

SUPERINTENDENT OF EDUCATION

Mary E. Moran

ASSISTANT SUPERINTENDENT

Robert S. Bliss

CHIEF FINANCIAL OFFICER

Peter P. Amons

**CITY OF RUTLAND
2012-2013 ANNUAL REPORT**

RECREATION AND PARKS DEPARTMENT

To the Citizens of the City of Rutland:

I respectfully submit the annual report of the activities and accomplishments of the Recreation and Parks Department for the fiscal year of 2012-2013. The Recreation and Parks Department is proud to provide services and opportunities enhancing the overall quality of life for the citizens of Rutland.

Our administrative offices continued to operate out of the Godnick Adult Center as we awaited the transfer of the deed to the Courcelle Brother's Federal Reserve Armory. It was a challenging year for the administrative staff as it was our 2nd full year in temporary headquarters. Many programs were limited or not available at all while we awaited our new home. We are very appreciative to the Rutland Public Schools, Rutland Catholic Schools and Boys, Duffy Family and Girls Club of Rutland County for assisting us with space for our programs over the 2012-13 fiscal year.

The end of fiscal year 2012 was bittersweet for us as we said good bye to Mary Markowski who had been our administrative assistant for three years. Fortunately for us and for Treasurer Wilton we didn't have far to go when we had a question, as she became the Assistant City Treasurer for the City of Rutland. We also said goodbye to Brooke Towslee who had also worked for us for several years. Brooke worked the front desk, handled facility reservations, oversaw the sponsorship program, marketed our programs and many other duties that we soon came to fully realize she did when she left for a great opportunity with the Barstow School as secretary. Our loss and their gain! Ed Griffiths retired in the early spring of 2013 after many decades of service to the city of Rutland. Ed always had a smile for everyone and a great sense of humor. Kyle Bourgeois, one of our quality seasonal staff, stepped into the open position May of 2013.

Giorgetti Arena and Pine Hill Park along with the Godnick Adult Center were the hub of much of the activity throughout the year. The pool at White Park enjoyed a busy summer once again as Vermont's largest outdoor municipal pool. Giorgetti Arena houses our ice rink from November to early March; an indoor turf location from mid March to end of April; and our skate park from mid May to end of September. I am continually impressed each year with the work our maintenance and skate park staff do in flipping the arena from one season to the next.

The recreation department provides programs attracting approximately 10,000 participants per year. Special events presented by the department draw 20,000 to 25,000 people yearly. The larger facilities conservatively combine for over 85,000 visits per year not including everyday use of the smaller parks. With that said, this department continues to explore ways to better serve the residents of the city and provide the quality of life that the residents deserve now and in the future. Thank you for continuing to allow me the privilege to serve you.

Sincerely,

Cindi Wight

Cindi Wight, Recreation Director (2012-2013)

FACILITIES

Alexander Keefe Memorial Park

Located on Water Street

Center Street Alley Park

Located inside the downtown block formed by Wales, Center, Merchants Row and Washington Streets.
Benches & picnic area.

Cioffredi Complex

Located off Temple Street

2 Softball Fields and open space.

Community Gardens

Northeast Community Garden - located off Woodstock Avenue behind McDonalds

Garden plots available for public use and 1 mile of walking paths

Southeast Community Garden - located off Allen Street next to Rutland MS/HS Allen St. Campus

Garden plots available for public use

Northwest Community Garden - located at the intersection of Baxter and Pine. Garden plots available for neighborhood use. Bruce Herforth - NWCG lead volunteer.

Depot Park

Located on the corner off Merchants Row and Evelyn Street

Home of the Farmer's market from spring thru fall.

Giorgetti Park

Located off Oak Street Extension

Telephone # 775-7976 Bike Shop # 775-7980

30 acres with 1 Baseball Field, 1 Softball Field, Giorgetti Arena (Flip Side Skate Park, Pine Hill Bike Shop & an ice-skating rink) open fields and the trail access to Pine Hill.

Godnick Adult Center

1 Deer Street

Telephone # 773-1853

Recreation Department offices, program/meeting rooms, exercise room, meal site, gazebo, shuffleboard courts, & open space.

Justin Thomas Memorial Park

Located on the corner of Madison and Prospect Streets

Gazebo, playground equipment and picnic tables.

Main Street Park

Located on Main Street between West and Madison Streets

Arboretum, bandstand and benches.

Monsignor Thomas Connor Memorial Park

Located off Meadow Street

2 Basketball Courts, 3 Tennis courts, 2 Softball Fields (one with lights), open fields, and playground equipment.

Pine Hill Park

Located off Oak Street Extension

275 acres with 16 miles of Pine Hill Trails designed for hiking and mountain biking.

The Rutland Recreation & Parks Department's Godnick Adult Center serves as a meal site for the Senior Nutrition Program. Meals are served Mondays and Thursdays in the Recreation Room at the Center.

VAN TRIPS

FY 2013 Annual Report
Department of Public Works

Jeffrey Wennberg, Commissioner of Public Works

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

I hereby submit the annual report of the Department of Public Works for Fiscal Year 2012-2013.

Please refer to the following division reports for information regarding the department's activities between July 1, 2012 and June 30, 2013.

The Mayor, Board of Aldermen, and citizens of this city have shown great support in addressing our infrastructure needs. In recent years this support has led to the initiation of several projects including repairs to Crescent St Bridge, the rehabilitation of additional sludge digester covers at the wastewater treatment plant, and the replacement of water mains on Woodstock Ave, Killington Ave, and South Main St. This support has made it possible to complete these projects without incurring long term debt.

Looking ahead, we have a number of initiatives and large projects that are in the planning stages now. The department has developed a reputation for excellence in the operation of our water and wastewater treatment facilities, but some other areas have not received the attention they deserved. Addressing these needs is now a priority task. Toward that end, the department has developed a city wide sidewalk inventory and plan for replacement of worn out sidewalks. We also continue to push for the timely replacement of Ripley Bridge, Dorr Bridge, and Forest St Bridge.

I would like to thank the DPW staff, other City Departments, the Board of Aldermen and the Mayor for their support of this Department over the past year. Special thanks are reserved for City Engineer Evan Pilachowski who made my transition into the department not only smooth, but enjoyable.

As always, the department appreciates the continued patience and cooperation of Rutlanders during the disruptions and inconveniences foisted upon them by our activities. We appreciate everyone's understanding during these tribulations as we build a better Rutland.

Report of the Department of Public Works, Engineering Division

Evan D. Pilachowski, P.E., City Engineer
Peter T. Kelley, Engineering Technician
Nathaniel G. Stansberry, Associate City Engineer

The Engineering Division provides engineering and technical services for each division of this and other Departments within City government. In addition to this work, several additional projects were addressed in 2012-2013.

The Division continues working to improve water quality in the City's streams and brooks using a combination of State and Federal grants and private donations. An alternatives study focusing on ways to improve water quality in Combination Pond and Moon Brook Watershed was completed. In addition, we

have worked with the Rutland Natural Resources Conservation District to distribute stormwater educational materials and have jointly secured a grant to design and construct a stormwater mitigation installation on Southern Boulevard.

Other City and regional projects for which the Engineering Division has provided assistance and support include the Routes 4 & 7 upgrade between West St and Strongs Ave, the design of repairs to Crescent St Bridge, the water main replacement project on Killington Ave, and the Northwest Neighborhood Sewer Separation Project, construction support for West St Bridge deck replacement and water main replacements on sections of South Main St and Woodstock Ave, landfill post closure monitoring, CSO monitoring, a drinking water pilot study and design of improvements to the water treatment system, annual city bridge and culvert inspections, various stormwater permit compliance activities, various street paving projects, and review of numerous private sector projects within the City.

Like most old New England communities, Rutland's aging infrastructure continues to present challenges. There are tens of miles of sewer and water mains in use today that are over 100 years old, numerous bridges and culverts that will need to be replaced in the coming years, and a stormwater system that during extreme rainfall events has caused damage to public and private property and resulted in the release of untreated wastewater into waters of the state. The temporary bridge remains at Ripley Road over Otter Creek due to structural deficiencies in the original bridge built in 1928.

However, progress to address these areas of need is visible. We continue to work with VTrans to advocate for the prompt replacement of Dorr Bridge, Ripley Bridge, and Forest St. Bridge. A water main replacement program has resulted in the replacement of water mains on Chase Ave., Chestnut Ave., South Main St., and Woodstock Ave. and sanitary and storm sewer mains on portions of West St. and Crescent St. In addition a bond vote was passed to supplement the Bridge Fund and will be used to address some of our greatest bridge repair and replacement needs over the next few years. While these examples are encouraging, in order to avoid the most painful aspects associated with decades of deferred repairs and replacement of the City's infrastructure, it is important to continue to build upon these positive initiatives.

Report of the Department of Public Works, Forestry Division

David S. Schneider, City Forester and Arborist

Woodlands and Timber Management

Forested lands within the City's property holdings in Mendon are managed for multiple uses, with the highest priority being providing a reliable supply of clean water to the Water Treatment plant for the City's potable water supply. This is accomplished by restricting motorized public access and minimizing soil disturbances from timber management activities. The Forestry Division assisted the Town of Mendon and its private contractors in addressing residual damage to stream banks caused by Tropical Storm Irene. These projects completed the restoration of the damages caused by Irene to the watershed lands.

One timber sale was completed on watershed lands this past year. Currently, work progresses on the marking of additional future timber sales that recognize and incorporate improving stumpage values in our slowly recovering economy.

Urban Forest Management

Managing Rutland's shade trees is a continual process that involves removing dead or dying trees and replanting areas for the next generation. Fifty five trees were removed, of which 33 required contracted local tree services. Three hundred forty three trees were pruned to improve form, aesthetics and public safety with an additional 18 trees requiring contracted services to reduce hazardous conditions. Thirty one trees were planted within the streets rights of way in the Fall 2012 tree planting project, and an additional 40 trees from the shade tree nursery were planted in the Spring 2013 planting project. This brings the total number of trees produced from the nursery to 546 since 1996. Six storm events occurred during the year resulting in the loss of 16 city trees. Dozens of privately owned trees fell into or across the public rights-of-ways and were also removed during these various events, yielding over 150 tons of chips. A significant amount of time was spent learning about and preparing for the arrival of the Emerald Ash Borer, an exotic invasive insect that infests and kills Ash trees. Planning for this inevitable invasion will hopefully lessen the impacts on our community forest.

Rutland City celebrated its 21st anniversary as a Tree City, USA during Arbor Day ceremonies held in Montpelier in May and continues to be Vermont's longest running community awarded this honor. Our local Arbor Day was celebrated with the planting of a Kentucky coffee tree, again at the Northeast Elementary school, with students from Stafford Technical Center's Forestry and Natural Resources program and Mayor Louras presiding over the ceremony.

The Forestry Division continues to assist other divisions within the Department with roadside vegetation management, snow removal and water system repairs. Additional projects completed included removing all trees from the old city landfill, storm clean-up and pruning in the West Street Cemetery, and brush removal from the new East Creek bike path. The Division continues to provide educational offerings with local schools, garden clubs, and UVM's Master Gardener and Stewardship of the Urban Landscape programs. The City Forester continues to serve on the State of Vermont Department of Forests and Parks Urban and Community Forestry Council. Sincerest thanks go out to all who have helped keep our community a great place to live and work.

Report of the Department of Public Works, Streets, Water Distribution and Wastewater Collection

Dave Sears, Project Manager

STREETS

The Streets Division is responsible for street, sidewalk maintenance and winter street maintenance. We also install, repair and service all the parking meters in Rutland's Downtown area.

The Streets Division has made a significant effort to replace sidewalks within the City that are in serious need of repair. To that end we replaced approximately 3,285 ft. of sidewalk to include Howard Ave., Wallace Ave., Evergreen Ave., Nichols St., and Burnham Ave.

North Street Extension and Rosemary St. were reclaimed, graded and paved in a much needed upgrade to these deteriorating streets.

The Division installed 8 new Way Finding signs for the Downtown Rutland Partnership, repaved or patched multiple ditches from water and sewer repairs and maintenance, and applied 4,034 tons of road salt to control winter conditions.

New sidewalks on Nichols St.

WATER DISTRIBUTION

The Water Distribution Division is responsible for the installation and maintenance of all water mains in Rutland City and maintenance of the water system for Rutland Town by contract. The Department is also responsible for the installation, service, repair and flushing of approximately 650 fire hydrants in the City and the Town.

In July 2011 we began and completed a project on Granger St. which consisted of replacing 68 feet of 12" water main that had been giving us chronic troubles. In order to replace the pipe we first had to replace

two 1968 twelve inch valves and install one new valve. We now have several control points on Granger St. that we didn't have in the past.

Also on Granger St. at River St. we removed and replaced a broken 6" valve in preparation for the paving of River St.

The Division repaired 14 water leaks or water main breaks throughout the year.

The Division installed 4 new water service taps to include the new water service for Aldi's on South Main St.

Along with flushing hydrants twice a year the Division installed, replaced or repaired 7 fire hydrants.

WASTEWATER COLLECTION

The Wastewater Collection Division is responsible for the installation, maintenance and repair of all sanitary sewer mains, the storm collection system to include all manholes and catch basins.

Beginning in July we began and completed the extension of the storm water collection system on Stratton Rd. This project consists of installing approximately 1,200 feet of storm sewer and 6 new catch basins.

In the spring of 2013 we began a storm water separation project on River St. This project consisted of the removal of the existing storm water from the sanitary sewer main and installing approximately 600 feet of new pipe and replacing or installing 7 new catch basins.

During the course of our regular maintenance duties we rehabilitated several catch basins and manholes to coincide with the street paving projects within the City.

We cleaned several thousand feet of sanitary and storm mains along with the manholes and catch basins at the entrance to the mains. We also degreased approximately 3,000 feet of sanitary mains.

River St. storm sewers installed.

Report of the Department of Public Works Water Treatment Division

Scott Taggart, Water Treatment Manager

Thomas Garofano-Barone, Asst. Water Treatment Manager

The City of Rutland's Slow Sand Water Filtration Facility treated a total of 876,565,900 gallons of water during the last fiscal year. The chemicals used during the process were 3,300 gallons of fluoride, 3,400 gallons of zinc-orthophosphate, and 18,000 gallons of sodium hypochlorite.

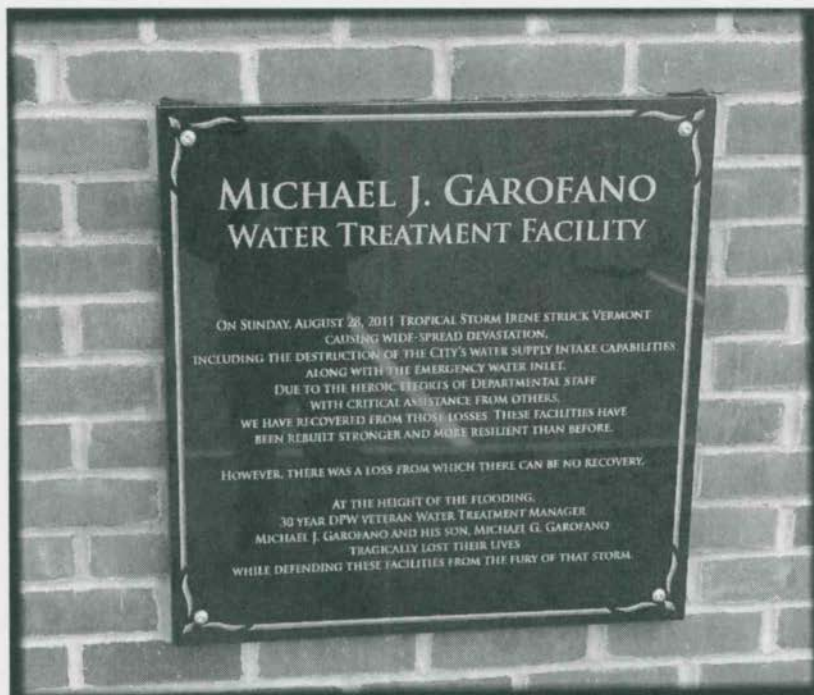

The Water Treatment Facility was officially named the Michael J. Garofano Water Treatment Facility on April 26, 2013. This dedication was a well-deserved reward for a man who dedicated his life to the City and took amazing pride in his job and this facility. We want to thank everyone who helped out in any small way in order for the Water Treatment Facility dedication. Two firms that deserve special thanks are Gandin Brothers Inc. and A. Tedesco Masonry.

One of the special projects this year for the Division was building a shed for an emergency generator at the inlet on Mendon Brook. The generator is inside, protected and ready for use should the need arise.

We have had mild success with combatting the Eurasian milfoil that has taken root in the reservoir. This has and will continue to be a major concern so that we can rid the reservoir of this invasive weed for good.

Since the second quarter of 2012, the City has been in compliance with federal haloacetic acid (disinfection byproducts) regulations. We are continuing to address the issues that affect the water quality in order to maintain this compliance.

We appreciate the help from the other DPW Divisions throughout the year.

Dedication of the Michael J. Garafano Water Treatment Facility

Report of the Department of Public Works Wastewater Treatment Plant

Robert Protivansky, Chief Operator

Once again this year the operators at the plant accomplished a lot. We are constantly maintaining, repairing or upgrading one of our fifteen buildings or the equipment within them. There is a lot to keep up with but Rutlanders can be proud of the great effort and pride the operators have in their jobs. Here is a list of some of their accomplishments:

- Replaced water lines, installed slow closing valves and rewired the electrical controls in the Polymer Feed System
- Installed new electrical service at the Country Club Pump Station
- Irene related repairs to the River Street Pump Station were complete with five pumps being rebuilt
- Cleaned two Digesters
- Cleaned Chlorine Contact Tank
- Landscaping and Plantings done at Marolin Acres Pump Station
- Installed 1500 feet of four inch kick plating at the bottom of the railings
- Replaced one rotted steel door
- Painted the Dewatering Building 1st floor interior
- Replaced the force main from the pump station across Dorr Drive Bridge

Aldermen inspect the Wastewater Treatment Plant

FY 2013 Annual Report

Office of the Treasurer

Wendy L. Wilton, Treasurer

wendyw@rutlandcity.org or 802-773-1800 x231

To The Honorable Board of Aldermen, Mayor and the Citizens of Rutland City:

I am pleased to report that the financial condition of the City of Rutland is sound for the year ended June 30, 2013. Audited financial statements, if not included in this report at the time of printing, will be available on the city website—www.rutlandcity.org under City Departments/Treasurer's Office/financial reports, or in hard copy through our office as soon as they are completed. The audit is ahead of schedule and will be completed on a timely basis to meet state and federal compliance requirements. The audit opinion is unqualified.

At June 30, 2013 the fund balance of the General Fund is \$3.3 million which is \$800,000 less than at the end of FY 2012. This reduction is primarily due to amounts committed toward tax relief as the tax rate for FY 2013 was set. The unassigned amount of the fund balance at year end is \$1,728,868 a reduction of about \$1.2 million from June 30, 2012. During FY 2013 the City assigned or committed significant amounts of the unassigned fund balance for specific purposes in addition to tax relief. The process of reducing the unassigned fund balance to reduce the tax rate ensures the city is not retaining excess funds. However, it is expected that there will not be sufficient surplus in the unassigned fund balance at the end of FY 2014 to continue supporting the tax rate. The Treasurer's Office is placing a high priority on delinquent tax and utility collection in order to convert receivables and avoid borrowing to provide operating cash.

The City's government-wide net assets (now called net position) increased again this year due to increases in fixed assets, reductions in long term debt and OPEB (Other Post-Employment Benefits). Increases in fixed assets are related to infrastructure improvements and capital purchases of equipment. The reduction in OPEB is a change in the long-term liability associated with health care coverage for city retirees. Management oversight to review rates which kept plan costs down, and increases in employee contributions, served to reduce the OPEB liability by \$894,841 in FY 2013. The OPEB liability is \$8.69 million as of June 30, 2013.

Unfunded liabilities associated with the City's pension plans for both school and municipal employees continue to be a significant financial issue for the City. As of January 1, 2013 the unfunded liability for the pension was \$23,542,088 which represents a funded status of 71.23% for the pension as a whole. This is a slight increase in funded status over the previous year. The unfunded liability for school employees is \$12,156,958 for 816 participants, including active and terminated employees and retirees. The unfunded liability for the municipal employees is \$13,385,130 for 282 participants. The funded status for the school and municipal portion of the pension is 77.19% and 62.28% respectively.

Changes made previously by the school and its employees have resulted in continued improvements in the funded status of the pension for the school. Changes agreed to by the City and its Fire Department and DPW employees in FY 2013 will reduce the growth in the pension liability in the future by meeting Normal Cost which is the amount of the liability accruing in each year. Increased funding will have an impact in the January 2014 valuation report of the pension which we hope to have available by May 1, 2014 for employees and the public. However, even if Normal Cost is met there is still the issue of the underfunding from previous periods that will need to be addressed in the future through greater contributions, cost reductions, or borrowing to ensure the system is solvent. Fire and DPW contracts dictate that new hires in both groups will no longer participate in the City's pension plan but will participate in the state-sponsored Vermont Municipal Employees Retirement System (VMERS).

It has been my privilege to be your City Treasurer since March 2007. Our office saw a significant transition in 2013 as James Manning, who served as the City's Assistant Treasurer since May 2007, was replaced by Mary Markowski. This transition went very smoothly and the City was well prepared for the annual audit which began in September thanks to their collaborative efforts. I want to thank all the staff in the treasurer's office for a job well done in accomplishing the City's third unqualified audit opinion last year and for their ongoing work for the citizens of Rutland, and to the citizens themselves for their support of the Treasurer's Office.

Wendy L. Wilton

City Treasurer

March 2014

Office of the City Clerk

Henry A. Heck, City Clerk

To the Citizens of the City of Rutland:

I respectfully submit the following Annual Report for the Rutland City Clerks office for the year ending June 30th, 2013.

Fiscal Year 2012-2013. This past year was very busy here in the Clerk's Office. We had four (4) elections with one being a Presidential in November 2012 and a Mayoral in March of 2013. We have continued to grow with our land records company, now utilizing the internet for land records research from 2006 to present. We accept credit and debit cards, and you can order certified vital records from the internet. I want to thank Susan Clark (Deputy Clerk), Patty Carbine (1st Assistant), and Sara Magro (Purchasing Agent, Assistant Clerk) for all their support. I would like to thank the staff at City Hall and welcome new City Attorney Charles Romeo. I would also like to thank Attorney Andrew Costello for all his help, it was greatly appreciated. I would like to thank Mayor Louras and the Rutland City Board of Aldermen for my reappointment as City Clerk. I look forward to serving the citizens of Rutland City.

Henry A. Heck
Rutland City Clerk

Reported Revenue from the Clerk's Office for Fiscal Year 2012-2013

Total \$ 196,483.00

Vital Records (copies & vault time):

All certified copies of Birth certificates, Deaths certificates, Marriage/ Civil Union licenses are available for \$10.00 per copy as set by the State of Vermont. Uncertified copies are available for \$2.00/copy.

Vault time is charged at \$2.00/hour.

Vital records recorded in Fiscal Year 2012-2013:

Births.....	438
Deaths.....	493
Civil Union/Marriages.....	120

Land Records:

1924 visitors used our vault. All land records are available for \$1.00/page for each copy. Certified land records are \$10.00/page and vault time is charged at \$2.00/hour.

Recording Fees:

14,274 pages of land records were received and recorded. The cost of recording land records is \$10.00/page, (excluding PTTR which is \$10.00 per document) as set by the State of Vermont.

DMV Registration Renewals:

77 DMV renewal registrations were processed. There is a \$3.00 cash fee to process your renewal.

Business Licenses:

The following business licenses were issued. Business Licenses are valid from May 1st until April 30th of each year:

Restaurant & Victual Establishments.....	97
Bowling Alley.....	1
Theatres.....	3
Hotels, Motels & Inns.....	7
Circuses, Carnivals, Shows & Fairs.....	10

1 st Class Liquor Club/Cabaret License.....	20
1 st Class Liquor Restaurant License.....	36
2 nd Class Liquor License.....	32
Outside Consumption Liquor Permits.....	19
Entertainment Club Permits.....	12
Tobacco Licenses.....	36

Dog Licenses Issued:

951 dogs were registered. Of that, 888 were spayed/neutered. Dogs must be registered by April 1st of each year and a current rabies certificate is required. After April 1st, late charges apply.

License fees are as follows:

Spayed/neutered fee before April 1st \$13.00; After April 1st \$16.00

Un-spayed/un-neutered fee before April 1st; \$17.00; After April 1st \$22.00

The city's revenue portion is \$10.00 per license.

For those of you who are unable to come down to the City Clerk's Office to register your dog(s), mail us the postcard we send you along with a current rabies certificate and proper payment. Once we receive and process this information, we will mail your dog license and tag. We hope this will make it easier for those who are unable to come in to register their dog(s).

Elections: March 6, 2012 City Election

August 28, 2012 Primary Election

November 2, 2012 General Election

March 5, 2013 City Election

It was an extremely busy year for elections in the Clerk's Office. The City had four elections in the FY. I would like to thank all the Ward Clerks and workers who participated to make a very tedious process seem effortless. Your extremely long days are greatly appreciated here in my office.

Changing your voting address or registering to vote:

If you are registered to vote in Rutland City and have moved to a new address within the City you may change your voting address over the phone by calling our office at 773-1800 and press 5.

If you have moved to Rutland City from another town or state you can stop by our office up to 10 days before any election and register to vote. It only takes a few minutes to register.

We here in the Clerks Office look forward to serving the citizens of Rutland City. We also recognize the challenges ahead of us and look forward to meeting them. Please remember that our web site www.rutlandcity.org contains valuable information on all City departments, Charter and Ordinances, Minutes of the Board of Aldermen and general information on the City of Rutland. Again we look forward to serving your needs in the upcoming year.

Respectfully Submitted,

Henry A. Heck
Rutland City Clerk

RUTLAND FIRE DEPARTMENT ANNUAL REPORT

It is again my privilege to report on the status of your Rutland Fire Department during the period July 1, 2012-June 30, 2013.

Your Rutland Fire Department at Work

The fire department responded to a total of 1749 calls for service. They are classified as follows:

Fires in Structures	76	Other Types of Fire	5	Hazardous Materials	66
Vehicle Fires	10	Rescue/EMS Assist	110	Hazardous Condition	67
Brush/Grass	4	False Alarms	251	Service Request	1150
Rubbish/Dumpster	8	Mutual Aid Given	2		

Included in the above statistics are 31 Second Alarm Calls, 7 Third Alarm Calls and 8 Fourth or Greater Alarm Calls.

Personnel

As of June 30, 2013 the department had 28 full time personnel and 20 part time personnel. On June 30, 2013 Deputy Chief Ernest Cioffi retired from the department after 38+ years of service to the City of Rutland. We wish Ernie well in the future and appreciate his years of service. Substitute firefighter Kyle Robillard was promoted to full time firefighter on April 1, 2013.

Equipment

The department apparatus fleet consists of (4 engines) including one Quint (Ladder Equipped Engine and an Aerial Platform, two service utility vehicles, a fire alarm maintenance bucket truck, a Hazardous Materials/Decontamination Trailer and a Technical Rescue Trailer.

Services Provided

The department provides fire suppression, fire prevention/education, hazardous materials response at the operations level and decontamination. In addition we are trained and equipped to respond to technical rescue incidents involving extrication from vehicles and machinery, rescue from confined spaces, trench collapse and can perform rope rescue operations. The department provides contract fire protection to the Town of Mendon, and three large businesses in Rutland Town and contract Crash/Fire/Rescue services to the Rutland Southern Vermont Regional Airport. In addition to emergency duties members maintain the municipal fire alarm system, maintain apparatus and equipment and the fire station and grounds while on duty. The department also assists with community projects such as hanging banners downtown, and other community promotional efforts.

Training & Education

In addition to responding to calls for service from the public, employees spend hundreds of hours training, presenting public education programs, and conducting pre-incident planning for emergency responses. During this period, members of the department attended regular training to maintain their skills and state certification. They also attended specialized training in Hazardous Materials, Aircraft Crash Fire and Rescue, Technical Rescue Operations, Safety and a variety of other specialties.

Grants

The department has applied for and received nearly \$1,400,000 in state and federal grants over the past twelve years. These grants have allowed us to upgrade our communications system, purchase protective equipment for our members, replace our outdated emergency generator, and develop and maintain the ability to respond to special hazard calls such as hazardous materials, and technical rescue. The department continues to aggressively apply for grant funds.

Chief Engineer & Emergency Management Directors Report

In February 2013, I suffered a heart attack while fighting a fire on Elm Street. This resulted in my extended absence from duty due to surgery and subsequent recovery. I want to thank Deputy Chief Brad LaFaso for his service as acting Chief during this period and also the members of the department and the community for their consideration and cooperation during this difficult time.

As your Chief Engineer, I continue to work to make sure the Rutland Fire Department is trained, and equipped to handle the emergency situations that may affect Rutland. I attend many meetings representing the City and the Fire Department in the City of Rutland, in surrounding towns, at the Vermont Fire Academy in Pittsford, and in Montpelier and Waterbury. These meetings are important as to make sure Rutland is represented at the

local, regional and state level for planning and to help obtain grants. I have also attended meetings of Rutland United Neighborhoods and other community groups as requested. In addition to my duties as Chief Engineer, I serve as City Emergency Management Director and represent the Fire Service on the Governors Homeland Security Advisory Council and the Vermont Enhanced 911 Board.

Emergency Management

Maintain and update the Rutland City Rapid Response Plan and Rutland City Emergency Plan. Attend monthly Local Emergency Planning Committee meetings LEPC # 2 covers all of Rutland County and assists with local, regional and state level planning for all hazard response. Monitor possible sources of grant funding for City emergency preparedness projects. Respond to and assist in the coordination of services at natural and man made emergency situations within the City or Rutland and the Rutland Region.

Open Burning

We receive numerous complaints about people burning anything from brush to trash in the city. The following information is provided regarding open burning within the City of Rutland. Due to the fact that the City is so densely populated open burning is **not permitted** without a permit from the Chief Engineer. Such permits are **only** issued for the occasional bonfire at a school or college, or for municipal emergency situations or commercial cooking purposes. Cooking fires do not require a permit but **only charcoal or LP gas may be used for fuel**. If an outside fire is creating a nuisance it may be extinguished by the department.

For information about fire safety contact the Rutland Fire Department at 773-1812. Members of the public are encouraged to visit the department during normal business hours. Tours can be arranged for school and community groups.

On behalf of the Fire Department, I would like to thank the Mayor, Board of Aldermen, city hall personnel, the School Department, DPW, Recreation Department and all city officials and employees who assisted the Fire Department in any way during the past year. We again offer our thanks to the citizens of our city for their continued support of their Fire Department. Also a very special thank you to our mutual aid partners for their assistance, many times this past year with emergencies and special projects.

If you have any questions about fire safety, emergency preparedness, or the Rutland Fire Department please call us at (802) 773-1812.

RUTLAND FIRE DEPARTMENT OPEN BURNING INFORMATION

OPEN BURNING

Open burning other than small cooking fires fueled by LP Gas Charcoal is not permitted within the City of Rutland unless a permit is issued by the Chief Engineer. It is always a good idea to check with the department if you have a question.

The reason for this policy is that Rutland is a densely populated community with buildings close together. In addition to the possibility of a fire spreading to a structure there are concerns about air quality and the nuisance smoke can create for people with respiratory problems.

The policy on issuing burning permits is as follows:

- Small fires for cooking using LP gas or Charcoal are allowed without a permit.
- Fires for educational institutions or community events such as bonfires for sporting events where a permit has been issued. In the case of a bonfire the fire department stands by while the fire is in progress these fires are typically in more remote areas of the City.
- Special events where approved and a permit is issued by the Chief Engineer.
- Emergency situations as directed by health officials or the Mayor.

The burning of trash, painted/treated wood, shingles, tires and similar materials is prohibited by state law. Only clean, untreated wood can be burned at a permitted fire. Persons who have un-permitted fires or are burning illegal materials are subject to being issued a ticket for violation of the open burning ordinance and may be subject to additional state enforcement actions.

Report of the Building & Zoning Department

Report of the Development Review Board

Stephanie A. Lorentz, Chairperson

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

The Development Review Board is pleased to submit the annual report for fiscal year ending 2013. Board members are Stephanie A. Lorentz, Chairperson, Michael Brookman, Al Paul, Jim Pell, Jeffrey Wennberg and Alternate, Steve Wilk.*

In March of 2013, Jeffrey Wennberg left the Board when he was appointed Commissioner of the Public Works Department. Steve Wilk was subsequently appointed as a full-time member and Michael McClallen and Brendan Collins were appointed as alternate Board members.

We held 22 public hearings during fiscal year 2013. Hearings are scheduled on the 1st and 3rd Wednesdays of each month and are held in the evenings in Aldermanic Chambers. The hearings are warned in accordance with State law. The Board's responsibilities include hearing zoning appeals, variances, conditional uses, site plan reviews, design control district reviews and subdivisions.

The Board wishes to thank the residents of the City of Rutland for their active participation in the public hearing process, Jim Simonds, Zoning Administrator, Carol Wagner, Clerk for the Development Review Board and the Mayor for their continued support of our efforts.

Good Citizens of Rutland,

I first want to thank you for your support of the men and women of the Rutland City Police Department. I am proud of the work they do every day to make Rutland a safe place to live, work and play. We are on a journey to be one of the best law enforcement agencies in the northeast. We are not content to be good, we want to be great.

FY 13 was a defining time period in the storied history of the Police Department. There has been a focused and concentrated effort to create more cooperative working relationship with you, the citizens we serve. The strategy is based on a data driven model, combined with citizen interaction, to identify the locations and individuals who are doing the most harm to our community. We have been diligent in our efforts to increase interaction with citizens, groups and organizations in order to build positive, healthy and productive relationships. We have made great strides in building vital community collaboration and will continue to do so.

The final step of our collective strategy is to build collaborative working relationships with agencies and services, inside and outside of our community, to better serve the needs of public safety.

As we move forward we will strive to recruit and hire the best candidates who will embrace a 21st century policing model that will make Rutland better tomorrow than it is today.

Chief James W. Baker
